*Kinkead Reiling* (Co-founder, Amyris)

*Wenyng Shou* (Fred Hutchinson Cancer Research Center)

*Brian von Herzen* (Executive Director, Climate Foundation)

*Dan Widmaier* (CEO, Bolt Threads)

### Ethics Advisors

Because our plans to engineer new types of cells raise bioethical concerns, we have constituted an Ethics Panel consisting of the following bioethics experts:

*Megan Palmer* (Center for International Security and Cooperation, Stanford University)

*Barbara Koenig* (Director, UCSF Program in Bioethics)

*Robert McGinn* (Emeritus Professor, Center for Work, Technology & Organization, Stanford University)
